

MX 170

Type III Ambulance

MAXIMUM SPACE THAT PERFORMS

Performance meets flexibility in the most capable Type III model, the MX 170. Designed for equipment-intensive responses and extended shifts, it delivers the space and capability of a larger unit without sacrificing the maneuverability of a Type III platform.

Featuring an expanded interior, comprehensive storage, and an optimized layout, the MX 170 keeps crews organized and ready for complex operational demands — backed by proven construction and dependable performance shift after shift.

FUTURE FOCUSED. TRUSTED ON EVERY CALL.
